## **Endodontists** **(root canal specialists)**

We excel at root canal therapy. However, there are some teeth with curved roots which make root canal treatment more involved. Sometimes there are other complications. In these cases, we refer our patients to an endodontist because they have additional years of training in order to provide specialized treatment. Our patients have found the specialists listed below to be some of the best in our area.

### **Progressive Endodontics**

**Harp S. Deol, DDS, MMSc****John S. Bhambra, DMD**[progendospecs.com](http://progendospecs.com)4396 Lakeville Rd.
